Three speakers upheld the question.

After Walker had surrendered himself, the county coroner was notified, and an inquest, was held, the jury finding that Mr. Walker came to her death from wounds, made by a razor in Walker's hands. The body, in the meantime, had been taken to the Babcock home, and there prepared for bounds.

"The Rose Maiden."

"The Rose Majden."

Cowen's cantata, "The Rose Maiden," was given last night in the Jefferson Hotel Auditorium by the Ashland Choral Club, under the direction of R. C. Sainsbury, assisted by Mrs. J. C. Blasingame, soprano; Miss Frances Lancaster, contraito; Dr. M. Koblenzer, tenor, and Howard Bryant, baritone. "The Rose Maiden" cannot be called a serious work, but it abounds in melody and rhythm and served to introduce the Choral Club of Ashland to a Richmond audience.

In reviewing the work of so young an organization it would be justly unfair to call attention to many details which ought in charity to be overlooked. The tone quality of the softer choral numbers was decidedly good, and the rousing rhythm of the melodious "Bridal Chorus" was greeted with such enthuslastic applause that a portion of it was repeated as an encore.

The club would doubtless have suffered less from lapses of pitch if the violins which assisted in the accompaniment had played perfectly in tune. Dr. Koblenzer's singing of the "Sleep of Even" was particularly pleasing, and Howard Bryant gave a thoroughly artistic rendition of all the numbers assigned to him.

The incessant loud talking of a number of young women who sold candy and programs, however, marred much of the very best work of the evening.
